**OR Make a summary of the following passage:**

The fastest method of traveling is of course, the aeroplane. Nothing is more marvelous in this last fifty years, from the early fragile machine of wood and canvas to the gleaming metal monsters of today, from a bare grass field to a modern airport with its miles of concrete runways, its huge aeroplanes in all kinds of weather. Now you have all these rapid means of travel at your disposal, the world is truly growing smaller.

**6. Read the following passage and answer the questions given below: (05)**

The Quaid-e-Azam received his early education at Bombay and Karachi. His father had no intention of further educating his son. He was eager to put him into business but Sir Fredrick Croft, a close friend of Mr. Jinnah Punja advised him to send his son to England to study Law. Muhammad Ali was sent to London at the age of sixteen. He was probably the first man to become a barrister at the early age of twenty, while in England he organized the Indian Students Federation.
